

E-mail Newsletter

With not knowing when we will be seeing the end of this pandemic, we as seniors are trying to guard ourself against the pandemic. But do you feel the need to get out of the bubble? Recently we did some traveling in our RV and where really surprised how safe we felt. We have done three of the Villages Rovers "On The Fly" trips and we felt comfortable. Check-in at campgrounds is easily done on line or on the phone, with little or no personal contact with the campground staff. There are no planned activities so you can do whatever you feel safe doing. At our last "On The Fly" we jumped in our car and drove for hours looking at the Gulf Shores area. The beaches, the dunes and the beautiful area. We did not have to social distance in our car and the bottom line we continued to enjoy some traveling. At our campsite there were two other couples and we did enjoy each others company, we sat outside and did our social distancing while we talked, just like sitting out with you neighbors at home.

One night there was a campfire in a 5' X 5' pit so we were all spaced out more than the required 6' X 6' social distance. Besides the strain of staying home and not sure what you can do to avoid getting covid-19 there is a hidden health issue that we are all exposed to and that mental stress or depression because of the potential dangers of contracting covid-19.

We as RV'ers have the ability to travel in a very safe manner, if we do travel there are many parks and trails to walk and view some nice scenery. It is a way of exercising and it will make you feel better. We all have a big investment in our RV's and letting them sit at the storage facility is doing a disservice to both you and the RV. The bottom line is you can travel see things in a safe way and you are exercising your RV.

Not all of the newsletter will be exclusive stories we will place some interesting articles from the RV world and FMCA.

and become part of her team.*

Villages RoVers Meeting Still On Hold

We are not going to have any meetings in November & December one reason the pandemic and the seconded November's meeting would be on Thanksgiving and December's meeting would be on Christmas Eve. We are working with the Recreation Center to change our meeting dates to something in the center of the month. We will know more in the weeks to come. Once we get a new date all members will be notified. If you have any comment about meetings please contact us by e-mail.

A New Concept For The Rovers Is Taking Off

There Are 3 New "On The Fly" Events listed on the website

Are you heading out on a planned or spur of the moment RV trip? Ever thought it would be fun to do a journey with another rig? "On the Fly" is a feature available to club members who may enjoy the company of another member rig. Submit the details of your journey along with your contact info and others may be interested joining you whether it is an overnight stop off or a longer trek.

All a member has to do is go to the website on the front page and look for "On The Fly" click the link and fill out the information. Once you submit the information it will be posted on the website so any other member can join you. This is not a rally but a way to go somewhere and maybe another member is thinking of getting away.

Example: We filled out the "On The Fly" last week. We are going to The Glades RV Resort the dates we booked are from Friday July 24, 2020 for a week. It was posted on the website and now there is one, maybe two members going. The Glades is a quiet RV Resort in Moorhaven, Fl. This town has less than 2,000 residents and the closet business is 14 miles out of town. They have a restaurant/grill on the grounds. This resort is located on the Caloosahatchee River just 14 miles west of Lake Okeechobee, the resort is approximately 500 acres and has 360 spacious sites to accommodate any size RV or boat. So, if this interests you come on down. Tell them you're from The Villages.

Now, if you are going away and would like a member to join you, just submit it.

*Submit information to webmaster on the "On The Fly" web page.
Thank You, Suzanne & Doug Huttenstine for this great idea!!!*

FMCA News
