

Villages RoVers

An FMCA Chapter

Greetings RoVers,

Great News For The Villages RoVers!!!

But first let's start with - WOW the FMCA Perry Rally was GREAT. Karen, Charlie, Jim & Stacy did an outstanding job, and for most of our members it was their first FMCA event. The daily planning from our Hosts kept us busy. The many seminars, exhibitors, afternoon games and fantastic evening entertainment all were outstanding. And forty (40) rigs signed up. Most of the RoVers weathered the 30-degree weather to do the activity carts and everyone enjoyed the interaction with the 1,950 other RV owners. The food was great and the evening gatherings at the fires in Tent City were a great way to meet each other. Lots more to talk about at our meeting.

Great News For The Villages RoVers!!!

Compass Storage

Last month at the SIG session we had a number of local storage facilities talk about their facility. Jim Mattern and Bob Holzmann went to many of the storage facilities and invited them to come to our SIG. Five facilities came and some did not bother to show up.

But Compass Storage was impressed with our Chapter and wants to build a relationship with the Villages RoVers. Bil Walsh the southeast area manager and Ju Ju Tejada the facility manger are offering the Rovers a 10% discount on the monthly rent. They are also looking to make more improvements for our benefit. I have

gone through the list of Rovers at Compass and you will see a 10% discount in your next statement. Rovers will be required to show their membership sticker for the discount. I am reviewing our membership and working with Ju Ju to get a list of members but please let me know (bharchar@aol.com) or contact Ju Ju. If you are not currently a Compass customer, feel free to call Ju Ju at 352-748-1181 and join your fellow Rovers.

Compass offers mostly covered storage with 30amp electric on concrete and the sites are 13' wide. Stop by and take a look to see if it works for you. Compass Storage is located at 2175 FL-SR 44 a mile from I-75 and near several truck stops.

The above shows the value of our SIG sessions!

We have our SIG meeting on the second Wednesday of April at 9:00am (April 12, 2023) and we have our monthly meeting on the 3rd. Thursday of April (April 20, 2023).

Doors open at 5:45 for some social gathering, before our 6:10 meeting.
