

Standing Rules of the Villages RoVers

1. The annual renewal membership fees shall be \$20 payable on October 1st each calendar year per rig
2. New members shall pay an initial membership fee of \$25 per rig
3. New members joining after July 31st shall be considered as paid in full for the next membership year
4. The Treasurer shall collect membership dues and report active members to the Secretary in order to maintain an accurate membership roster
5. Officers shall be elected at the annual business meeting to be held in the 2nd fiscal quarter. For continuity, three officers will be elected every year beginning in 2021.
6. Duties of officers shall be defined in the Chapter Member and Volunteer Handbook
7. Business meetings shall be conducted once per year at a minimum or as required to conduct necessary club business
8. Chapter membership shall be limited to 100 rigs. The club shall maintain a waiting list for other RV owners wishing to join the club. The Treasurer shall maintain the membership list and invite Individuals from the wait list to join as openings occur
9. Rally Registration fees shall be \$25 per rig (up to 2 individuals) and are non-refundable. All registrations and fees will be processed through the website with a connection to PayPal. All credit cards accepted.
10. Pre-registrations for planned rallies will not be permitted with the exception of the Wagon Master and two co-hosts (rigs). When a rally is planned and ready to accept reservations, an email will be sent to all members announcing the date and time the website reservation system will be turned on for that rally. Reservations will be accepted in one of two ways:
 1. A date and time will be announced by email when the website will begin accepting reservations for a particular rally. Up to the maximum allowed for that rally, reservations will be accepted on a first-come-first served basis. Additional reservation requests will be then directed to a waitlist. When/if slots become available, names will be taken from the waitlist in chronological order.
 2. A window of time will be announced by email when the website will begin accepting reservations for a particular rally. If more reservation requests are received than the rally limit, names will be drawn randomly, at a meeting, for participation in that rally.
11. It is requested that Club name badges be worn at all scheduled club events including meetings and rallies.
12. Smoking or Vaping is not allowed at any official club meeting whether in a Villages location or elsewhere
13. At a rally event, generators may not be used during quiet hours from 11 pm to 6 am or may be based on the rules of the location or campground.
14. Rallies will be planned so that pets will be allowed at the campground.
